***Attention Ms. Sandy Brittain, President***

Dear Sandy,

It is my pleasure to inform you that Canada DanceSport (“**CDS**”) has been recognized by the Canadian Olympic Committee (“**COC**”) effective April 22, 2018 as the national sport federation governing dancesport in Canada.

Based on your application, we understand that CDS is the member federation for Canada of the World DanceSport Federation and is recognized as a registered Canadian amateur athletic association.

As a COC recognized organization, we confirm that CDS will receive the following benefits from the COC:

1. Certificate of recognition (enclosed);
2. Recognition on the COC Website [<http://olympic.ca/coc-recognized-organizations>];
3. An opportunity to benefit in any programs developed for all sports by the COC in accordance with the NSF Enhancement Initiative; and
4. Pursuant to section 9.9 (e) of the COC By-laws, CDS, as a Recognized Organization, is entitled to send a CDS representative to attend a COC Session. Please note that expenses to attend a Session are at CDS’s cost. Sessions are generally held the third week of April and November each year. In the future, if you would like to attend a Session, I ask that you kindly contact Christopher Overholt, the Chief Executive Officer and Secretary-General of the COC, in advance.

Please note that the recognition does not provide any rights to use the Olympic rings or any COC marks. Such marks may not be used without the prior written approval of the COC.

Congratulations on your recognition and we look forward to seeing Canadian dancesport athletes competing at the Youth Olympic Games in October.

Sincerely,

**Tricia Smith**
