# CELEBRATION GALA

Saturday, February 22, 2020

Vancouver Convention Centre

Ten years ago, the Vancouver 2010 Olympic & Paralympic Winter Games united the nation, forever changing the sport landscape in Canada. The Games were a once-in-a-lifetime experience for athletes, officials, and Canadian communities from coast to coast.

Canadians welcomed the world with glowing hearts and filled venues and streets with red and white to celebrate the Olympic and Paralympic spirit.

The legacy of Vancouver 2010 is evident by both the impact of the Games and in the increased funding and support that sport has seen over the past decade. Team Canada has seen record-breaking performances over the past decade, thanks in large part to the momentum generated by Vancouver 2010.

On February 22, 2020 we will celebrate the 10-Year Anniversary of the Games and their lasting legacy. The Vancouver 2010 Celebration Gala will raise an anticipated \$1,000,000 for the next generation of Team Canada athletes as they continue on their path to the podium.

Join us for a Celebration Gala in which we'll honor the past and look to the future of sport in Canada.

*Team Canada surpassed its best-ever Olympic Winter Games medal tally in Vancouver 2010 with even greater success in PyeongChang 2018.*

All funds raised from this celebration will go to the Canadian Olympic Foundation to support our next generation of Canadian athletes as they continue on their path to the podium, and sport including national sport federations, the Paralympic Foundation of Canada and other sport organizations.

The Canadian Olympic Foundation has enabled Canadians, Canadian athletes and their coaches to strive for excellence in sport since 2007. As the official charitable organization of the Canadian Olympic Committee and Team Canada, we aim to inspire every Canadian to be capable of greatness, through sport and Olympic values.

The Canadian Olympic Foundation empowers Canadians to be an integral part of the Canadian Olympic Movement by directly supporting our current and next generation athletes and coaches with the critical funds they need to pursue the podium. We support our athletes at all levels to ensure they receive the high performance resources including coaching, training, specialized sport medicine and access to competitions they require to reach their dreams and goals of wearing the maple leaf on their chest, representing Canada at the Olympic Games.

**“I HAVE SEEN OTHER ATHLETES  
DROP OUT OF SPORT BECAUSE  
THEY COULDN'T MEET THE  
FINANCIAL COMMITMENT  
OF COMPETING FOR CANADA.  
WITH YOUR SUPPORT,  
THE NEXT GENERATION OF  
CANADIAN ATHLETES WILL NOT  
HAVE TO CHOOSE BETWEEN  
SPORT AND FINANCIAL NEED.”**

— Alex Bilodeau,  
2x Olympic Gold Medalist  
(2010 & 2014)

Vancouver 2010 left a legacy of incredible venues for its host communities including the Richmond Olympic Oval which was the host of the long-track speed skating competition during the Games. The venue has since evolved into a world-renowned multi-sport community facility.

## CELEBRATION GALA
